About SAFE Security. Founded in 1988, **SAFE Security** consistently ranks among the top 25 largest security alarm companies in the United States (Security Distributing and Marketing magazine, SDM 100, May 2014), and is one of the few fully national alarm companies with operations in 50 states, Puerto Rico and Canada. The "SAFE Companies" umbrella includes SAFE Security, a full service alarm company, SAFE Monitoring Technologies and California Security Alarms, Inc., a full service alarm company. SAFE's platform includes an experienced management team, wholly-owned central monitoring station, an active Dealer Program, authorized national service provider network and the resource infrastructure to provide business and account management services, all kept current to allow for expansion in all areas. SAFE focuses on excellence in customer service and provides a full range of services for dealers in its SAFE Dealer Network such as monitoring, billing, collections, and marketing, and has maintained a reputation for stability and integrity in the industry.
